Creative Scotland

Submitting to Creative Scotland's Open Fund. . .

- Submit application as early as possible
- 8 week turnaround for under 15k applications
- 12 week turnaround for over 15k (plus an additional 2 weeks is added on to any applications that fall over the Christmas period)
- Applicants can apply twice for the same project – where the timeline allows but already this is getting tight
- The Open Project Fund is heavily oversubscribed and it is highly unlikely that we would be able to support all applications submitted
- RFO funding
