Please note that roles will be explained in full at interview stage. The dates in the descriptions below are suggested only and we are happy to discuss the commitment you are able to give us as well at interview.

### EXHIBITION ASSISTANTS

Our Exhibition Assistants support our Director's Programme by being the first point of contact for all our visitors – welcoming them to the festival, introducing them to the programme and ensuring they experience the work as it should be.

Commitment: We ask that our Exhibition Assistants can commit to a minimum of 10 shifts within the festival dates: Wednesday 18 April - Monday 7 May.

### EVENT ASSISTANTS

Glasgow International includes a diverse selection of events including talks, tours, performances and previews. Event Assistants will be working with the team to ensure the smooth running of this busy programme during the festival period.

Commitment: Flexible and available within the festival dates: Wednesday 18 April - Monday 7 May.

## FESTIVAL ASSISTANTS

Helping support operations behind the scenes and promotion, Festival Assistants will be working in the lead up to the festival in our office and between festival venues when needed as we finalise preparations for this year's edition. During the festival, you will also be helping to promote the festival around the city.

Commitment: We ask that our festival assistants can commit to a minimum of 10 shifts in the lead up and within the festival dates from Monday 2 April - Monday 7 May.

## TOUR ASSISTANTS

A chance to engage with our visitors further, Tour Assistants will assist taking groups – from students, to professional and international visits – on guided tours of the festival, giving them an insight into the programme, the artists and their work.

Commitment: Flexible and available within the festival dates: Wednesday 18 April - Monday 7 May.

## DIGITAL ASSISTANTS

Digital Assistants will have the opportunity to explore the programme of exhibitions and events in order to promote the festival online. They will support our Online Editor with social media and creating blog content about the festival.

Commitment: Flexible and available within the festival dates: Wednesday 18 April - Monday 7 May.

## INSTALL ASSISTANTS

Install Assistants will be working to help prepare exhibitions and off-site projects. Supporting our technical team, this will be a practical role and serve as an introduction to how exhibitions are installed, artworks handled and alternative spaces prepared.

Commitment: Flexible and available in the weeks leading up to the festival: Monday 26 March - Wednesday 18 April.

## EVENT PHOTOGRAPHERS

Event Photographers will join us for a variety of exhibitions and events throughout our programme to help us record the 2018 edition of Glasgow International.

Commitment: Flexible and available within the festival dates: Wednesday 18 April - Monday 7 May.
